

## Introduction

MoD requires that all prospective Authorised Persons and Authorising Engineers responsible for Petroleum installations have training in Joint Services Publication 375 Volume 3 Chapter 5. Turner Facilities Management Limited is a MoD approved provider for this training.

## Aim

The aim of the course is to ensure that those involved in MoD Safe Systems of Work for Petroleum Systems have sufficient knowledge to allow them to, where appropriate, proceed along the path to appointment, or re-appointment.

## Objectives

The objective of the course is to produce individuals who are capable of carrying out the duties of Authorised Persons and Authorising Engineers (Petroleum). We aim to train delegates to:

- Have sufficient knowledge of the hazards and safety requirements for working with petroleum products and equipment.
- Have an understanding of safe systems of work and to apply that knowledge to the implementation of JSP 375 Volume 3 Chapter 5.
- Be familiar with the requisite documentation and its correct application.

## Content

The course will comprise the following:

- Petroleum Products, characteristics and hazards, Petroleum Classifications
- Management of Health and Safety Regulations, Risk Assessments
- JSP 375 Volume 3 Chapter 5 - Roles, duties and appointment of Appointed Personnel and Safety Documentation
- Personal Protective and Respiratory Protective Equipment
- Petroleum installations, systems and Multiple Gas Indicators (MGI's)
- JSP 317 and associated petroleum documents
- Redundant Storage Tanks, Spillage and Environmental
- Electrical Equipment in Petroleum Hazardous Areas
- Practical exercises in preparation and issue of Safety Documentation and End of course tests

## Who Should Attend

The training given on this course provides the basic knowledge for the Authorised Person and Authorising Engineer who will be required to carry out duties under JSP 375 Volume 3 Chapter 5.

## Duration

4 days

## Award

On successful completion of the course each delegate will be awarded a Certificate of Completion.
